About the scheme

The University of New South Wales (UNSW) Indigenous Admission Scheme provides an alternative pathway for Australian Aboriginal and Torres Strait Islander people into UNSW undergraduate degree programs. If you are interested in studying Business, Law, Education, Medicine or Social Work, please refer to the Pre-Programs information.

The scheme is administered by Nura Gili in conjunction with the UNSW Admissions Office. Assessment for entry is coordinated by Nura Gili in conjunction with Faculties and Schools across the University.

All enquiries should be directed to Nura Gili. Please contact Nura Gili on (02) 9385 3805 or email asknuragili@unsw.edu.au.

How does the scheme work?

Entry to undergraduate UNSW programs via this scheme involves three components: the submission of an application to the Universities Admission Centre (UAC); the completion of the attached application form for Nura Gili; and undertaking an interview and a written task related to your course preference.

Under this scheme, consideration is given to an applicant’s relevant life, work, educational and training experience as preparation for study, in addition to any formal qualifications. The interview assists us to ensure an applicant is selecting the most appropriate course for their interests. The written task assists us to assess an applicant’s likelihood for academic success and the level of academic support that may be required in the first year of study.

Who can apply?

All Australian Aboriginal and Torres Strait Islander people can apply to UNSW through the UNSW Indigenous Admission Scheme, and it is available for undergraduate courses at UNSW.

You can apply if you have not completed school or achieved a requisite ATAR score for entry into your preferred course of study. This admission scheme is designed to assess your capacity to study at a tertiary level in your preferred area of study.
Main Round Entry

UNSW is offering admission to a range of degrees in 2015. If you would like to apply to commence in second semester, or are considering transferring from another university, first check out the UNSW website to view degrees available for the mid-year intake [www.unsw.edu.au](http://www.unsw.edu.au).

What must you do?

Lodgement of this application form initiates the admission process, and does not grant actual enrolment. The process is carried out in four main steps:

1. **YOU MUST** lodge an application with the Universities Admissions Centre (UAC). Your UAC application number is required for the next step. See [www.uac.edu.au](http://www.uac.edu.au) for further details.

2. **YOU MUST** complete this UNSW Indigenous Admissions Scheme Application Form, by **Friday 4th October 2014**. Nura Gili will then consider you as a prospective student and relevant information will be made available to you.

3. **YOU MUST** supply evidence of Aboriginal and/or Torres Strait Islander descent with your application. Please refer to Nura Gili’s Confirmation of Aboriginality policy for further information [http://www.nuragili.unsw.edu.au/admissions.html](http://www.nuragili.unsw.edu.au/admissions.html).

4. Your application will be assessed and you will be asked to attend an interview with Nura Gili and Faculty staff at the UNSW Kensington campus in Sydney.

Interviews will be held in early-mid November 2014.

At the interview you will have the opportunity to meet with Nura Gili and Faculty staff, explore the UNSW campus and learn more about UNSW services including accommodation and scholarship opportunities. You may be eligible to access Centrelink assistance to support your attendance. You are encouraged to contact Centrelink to determine if you are eligible for assistance.

If you have any concerns about this process, please contact Nura Gili.

Please note, your application cannot be considered unless all requested documentation is attached to your application.

If you are successful in your application, you will be offered a place at UNSW in **Semester 1, 2015**.

If you are unsuccessful at any point in this process, Faculty and staff at Nura Gili will provide feedback and advice about other pathways and future applications to UNSW.
